SOME QUICK FIRE FAQ'S

How many people can it hold?

The Terrace area can hold up to 100 people standing and we have options for seating for 57, 64 and 80 people.

Can we have the roof terrace for pre drinks

Yes of course you can, this would also be a great area to use after your ceremony, especially if you are marrying inside while our team swiftly change the main hall around.

Can we smoke in the Terrace?

Unfortunately no, due to the stretch tent being more than 50% covered this would be classed as an indoor area.

Can we have fire pits or patio heaters in the stretch tent?

Due to health and safety this is a big no no, however there is still an open area at the end of the roof terrace that you can use for a fire pit.

Can we have amplified music in the stretch tent?

Unfortunately this still falls outside of our licence, however you can have acoustic music up there.

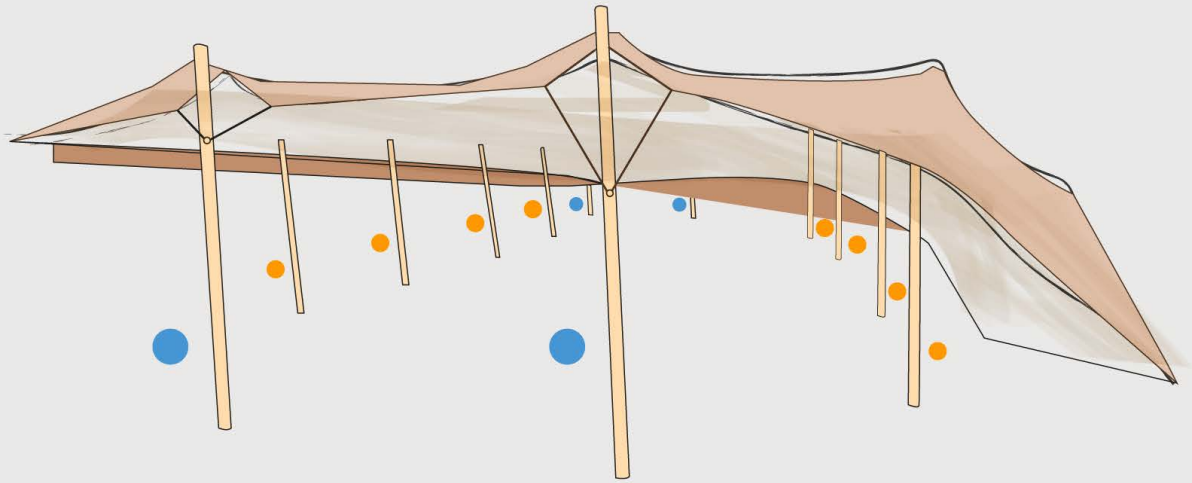

Weather dependant

Due to our coastal location from time to time we do experience a strong coastal breeze. In such a scenario the Roof Terrace will need to be dismantled and unfortunately unavailable under these conditions. Our team will clarify this 24 hrs before your booking if any strong winds or adverse weather conditions are likely to be visiting the area. We do apologise if this happens but we have to think of the safety of you and your guests.
